# TUCK'S POST CARD

CARTE POSTALE — POSTKARTE

**Downing College** is amongst the most modern of the educational foundations at Cambridge, having been founded in 1803 by Sir George Downing of Gamlingay Park, Cambridgeshire, who bequeathed his property for the purpose. The architect of the buildings, which are in the classical style, was Wilkins, who was also the architect of the modern portions of King's and Corpus, and of the New Court, Trinity.
